What did one toilet say to the other?

You look a bit flushed.

What do you think of that new cafe on the moon?

Food was good, but there really wasn't much atmosphere.

Why did the dinosaur cross the road?

Because the chicken wasn't born yet.

Why can't Elsa from Frozen have a balloon?

Because she will "let it go, let it go."

How does a scientist freshen her breath?

With experi-mints.

How are false teeth like stars?

They come out at night.

What building in your town has the most stories?

The public library.

What is a computer's favorite snack?

Computer chips.

What did one volcano say to the other?
I lava you.

How do we know that the ocean is friendly?
It waves.

What is a tornado's favorite game to play?
Twister.

How does the moon cut his hair?
Eclipse it.

What falls in winter but never gets hurt?
Snow.

Why is six afraid of seven?
Because seven eight nine.

Are monsters good at math?
Not unless you count Dracula.

Why is the math book sad?
Because it has too many problems.

Why couldn't the pony sing a lullaby?
She was a little horse.
